

QUICKBOOKS DESKTOP · SRI LANKA

QuickBooks Desktop

One-time licence. Complete accounting control.

QuickBooks is the No.1 accounting software for small to mid-sized businesses that prefer a one-time licence rather than a monthly subscription. Supplied, implemented and supported in Sri Lanka by AccSoft Solutions - Certified Solution Provider and Certified ProAdvisor.

5,000+

Installations in Sri Lanka

One-time

Licence, not a subscription

Up to 30

Multi-user support

125+

Customised reports

QuickBooks Desktop Key Features

1 Accounting & Finance

Maintains comprehensive accounting. Tracks income with accuracy, categorises expenses and keeps a detailed chart of accounts.

3 Debtors & Creditors

Track customers and suppliers, invoicing and payments, unpaid invoices, receiving bills and paying vendors.

5 Reports & Insights

Over 125 customised reports including profit and loss, balance sheet, cash flow, project profitability and job costing.

7 Security & Data Control

Enhanced security, backup and restore, and complete control of your financial data on your own systems.

2 Inventory Management

Track items, COGS and quantities with real-time inventory updates, reorder points and physical stock take reports.

4 Multi-User Support

Multi-user support for up to 30 users with customisable user permissions and solid performance.

6 Cheque & Voucher Printing

Print cheques to Sri Lankan bank layouts, along with vouchers and receipts, straight from QuickBooks.

8 Offline or Cloud Access

Work offline on your own network, or host QuickBooks Desktop on AccSoft Cloud for access from anywhere.

Editions & Local Add-ons

9 QuickBooks Pro

Ideal for small businesses needing complete double-entry accounting, invoicing, inventory and reporting.

10 QuickBooks Premier

Adds advanced industry-specific reports and deeper analysis for growing organisations.

11 IRD Invoicing Add-on

AccSoft add-on that prints invoices to IRD requirements with VAT and SSCL shown correctly.

12 Sales, Credit Control & Stock

Add-ons for quotations, sales orders, approvals, customer credit limits and multi-location stock.

ONE SYSTEM, END TO END

Everything QuickBooks needs for Sri Lanka

Implementation

Chart of accounts, opening balances, VAT and SSCL set up correctly from day one

Training

Hands-on training for your accounts team, at your office or ours

Ongoing Support

Local support by phone, remote access or visit - no overseas call centre
